Conditions & Interventions

Interventions:

OTHER: Health-E You app

Conditions:

Sexually Transmitted Diseases, Sexual Health, Reproductive Health

Keywords:

male adolescent, condom use, mhealth

More Information

Description:

This study will involve evaluating Health-E You/Salud ¡Tu™, a web-based, pre-visit mobile app designed to support adolescent male youth and his clinicians in discussing sexual and reproductive health (SRH) topics and care. It will test its efficacy among male patients in clinical settings using a stepped wedge cluster randomized controlled trial design.
